Our redlines are attached.

I don't know what happened here, but the existence of your two Rule 12 motions is news to me. I don't know if my e-mail filters knocked out the e-file alerts or what, but the 26(F) report is the first time I'm seeing these.

I'm going to put together responses as quickly as possible, so I'm going to ask for leave to file by Monday at the latest. Can I designate that motion as unopposed?

Brian,

Thanks for the prompt response. Can you send over proposed revisions or redlines in advance of the call so we can be prepared to discuss? Friday works better for us. How about 10:00 am?

Hi, Michael.

I'm available this afternoon, actually, if you have time.

My mornings are wide open tomorrow and Friday, as well.
